House # 06 Zoyan Flats Near  
Defence Colony, Peshawar

## About Me

I am a 3rd-year undergraduate student of Software Engineering with a strong foundation in programming, software development, and system design. I am passionate about creating innovative and efficient software solutions to solve real-world problems. With experience in languages such as Java, JavaScript, HTML, and CSS, I am eager to continue expanding my skill set and contribute to dynamic, tech-driven environments. My goal is to leverage my knowledge and creativity to build impactful applications that enhance user experiences and drive technological progress.

## Objective

To secure a role in the technology field where I can utilize my technical skills, passion for software engineering, and commitment to continuous learning to contribute effectively and grow professionally.

## Skills

- C / C++
- HTML/CSS/JS
- MERN Stack

## Languages

English  
Urdu

## Eduaction
